

REMARKS

A further minor correction has been made the specification. Claims 1 and 3 have been amended. Claims 1-5 remain pending. The same arguments with respect to the rejections as were made in the Amendment filed January 19, 2005, continue to apply. After further review by the inventors, it was determined that claims 1 and 3 when amended were confusing. Hence, the need for the present amendment.

If it would be helpful, the undersigned requests the Examining attorney to call the undersigned at 612.336.4722.

Respectfully Submitted,
